

INTRODUCTION

It is an honor and pleasure to welcome you and introduce the first international dental conference, held on 2-3 Apr, 2019 at Al Noor University College - Dept. of Dentistry, in Mosul city, Iraq. This conference was organized in collaboration with the College of Dentistry, Mosul University, Mosul, Iraq.

This International Dental Conference delivered new ideas, views, strategies and tactics to excel in the field of dentistry and oral health. In addition the Conference offered an impressive roster of keynote speakers, quality attendees, compelling content and concise reviews of the latest clinical advancements and guidance relating to the diagnosis and treatment of dental and oral health conditions, including the use of novel techniques.

The scope of the Al Noor International Dental Conference was to provide a forum for the exchange of ideas and authoritative views by leading scientists as well as young researchers on several areas of dentistry including: *Public Health Dentistry, General Dentistry, Dental Biomaterials, Prosthodontics, Dental Implants, Advanced Dental Research, Endodontics, Periodontology, Oral Surgery, Preventive Dentistry, Community Dentistry, Oral Pathology, Oral Health, Restorative Dentistry, Maxillofacial Pathology, Dental Caries* and more.

It also provided continuing education opportunities and quality information by means of Keynote Speakers, Symposia, hands-on workshops, and exhibitions.
